Faith and Freedom Political Action Committee strongly endorses Representative Matt Shea for re-election to Washington State's 4th Legislative District.

Matt Shea provides bold, principled leadership for both the 4th District and the state.

He is a much needed, strong, articulate, dependable, conservative voice in the Legislature.

Matt provided strong leadership in the R-71 effort and always supports legislation and policy that strengthens family and marriage and protects the sanctity of life.

He is deeply committed to restoring a God honoring constitutional republic.

And a personal note:

I have observed Matt speaking to his constituents in the 4th District, speaking in House hearings and on the floor of the House of Representatives; He is saying the same thing in Olympia that he is saying in Spokane.

He is a very talented, articulate, honest lawmaker.

A breath of fresh air in an often polluted atmosphere.
